

Overall Transportation Plan Project Identifier: AF

Roadway Project Location: IH 35 NB Frontage Road - Williams Dr To Lakeway Bridge

Project Description: New construction of frontage road on northbound IH 35 from Williams Dr to Lakeway Bridge.

Issue Addressed: Bottleneck & Economic Development

The Williams Dr./Austin Avenue area has been identified as the northern gateway into downtown Georgetown, which includes improvements for the I-35 corridor as identified in the Gateway Plan Overlay. The NBFRR will provide improved connectivity with I-35 and a connection to Northwest Boulevard.

Proposed Roadway: 2 Lane Frontage Road

Right of Way Acquisition: Yes

Anticipated 2035 Average Daily Traffic: 6,600 Vehicles

Functional Classification: Frontage

Anticipated Start Date: 2021

Anticipated End Date: 2026
