

Overall Transportation Plan Project Identifier: AO

Roadway Project Location: IH 35 SB Frontage Rd - Williams Dr To Rivery Blvd

Project Description: Reconstruction of IH 35 SB Frontage Rd from Williams Dr To Rivery Blvd.

Issue Addressed: Bottleneck & Economic Development

The Williams Dr./Austin Ave. area has been identified as the northern gateway into downtown Georgetown. TxDOT has plans to widen the southbound Frontage Rd. to a full 3-lane facility which removes the right turn deceleration lane onto Rivery Boulevard. This project will provide construction ready plans to widen the Frontage Rd. for a replacement right turn lane to accommodate traffic to the Conference Center.

Proposed Roadway: 2 Lane Frontage Road

Right of Way Acquisition: No

Anticipated 2035 Average Daily Traffic: 31,000 Vehicles

Functional Classification: Frontage

Anticipated Start Date: 2026

Anticipated End Date: 2026
