

**Overall Transportation Plan Project Identifier:** CQ

**Roadway Project Location:** Stadium Dr (CR 151) - Austin Ave To NE Inner Loop

**Project Description:** Reconstruction of Stadium Dr (CR 151) from Austin Ave to NE Inner Loop.

**Issue Addressed:** Mobility and Accessibility

Stadium Dr. is a roadway connecting Austin Ave. and NE Inner Loop providing access to the athletic facilities which serve GISD (and Southwestern University). This project will provide construction ready plans for the widening of Stadium Dr. to a collector level roadway and enhance access to SH 130 via FM 971.

**Proposed Roadway:** Widening to 5 Lanes

**Right of Way Acquisition:** Yes

**Anticipated 2035 Average Daily Traffic:** 11,000 Vehicles

**Functional Classification:** Minor Arterial

**Anticipated Start Date:** 2026

**Anticipated End Date:** 2026
