ROADWAY IMPROVEMENTS

The 1.12-mile project will upgrade the existing two-lane undivided roadway to a four-lane, divided, roadway with left and right turn lanes as needed and open-ditch drainage. The project also includes upgrading a shared-use path for pedestrians and bicycles on one side.

PROJECT NEED

Williamson County has experienced significant growth in recent years, and current population projections predict that this trend will continue. The City of Georgetown is ranked as one of the top 10 fastest-growing cities by the U.S. Census Bureau*.

The Shell Road Roadway Improvement project will help meet the needs of motorists in one of the fastest-growing areas of the county.
