

## PROPOSITION D: YMCA Partnership

City of Georgetown 2023 Bond Election

The City of Georgetown has called a Nov. 7 election for a bond package that would fund new and expanded customer services, animal protection, and recreation facilities. Voters will see four separate propositions on the ballot.

### No Expected Change to the City's Tax Rate

All proposed projects are expected to be funded within the City's current tax rate.

### Proposition D: YMCA Partnership (\$10 million)

Proposition D would fund a \$10 million City contribution toward the construction of a new indoor recreational facility jointly owned by the City and the YMCA of Central Texas at 6200 Williams Drive. The YMCA of Central Texas would pay all operating expenses long-term.

### Expanding the City's Recreation Options

Featuring wellness space, multi-purpose areas, and a larger pool, the proposed YMCA would provide an indoor recreational facility in western Georgetown and offer childcare and youth programming for Georgetown families. Georgetown residents would receive discounted memberships.
