The City of Georgetown has called a Nov. 7 election for a bond package that would fund new and expanded customer services, animal protection, and recreation facilities. Voters will see four separate propositions on the ballot.

No Expected Change to the City’s Tax Rate
All proposed projects are expected to be funded within the City’s current tax rate.

Proposition D: YMCA Partnership ($10 million)
Proposition D would fund a $10 million City contribution toward the construction of a new indoor recreational facility jointly owned by the City and the YMCA of Central Texas at 6200 Williams Drive. The YMCA of Central Texas would pay all operating expenses long-term.

Expanding the City’s Recreation Options
Featuring wellness space, multi-purpose areas, and a larger pool, the proposed YMCA would provide an indoor recreational facility in western Georgetown and offer childcare and youth programming for Georgetown families. Georgetown residents would receive discounted memberships.

Last Day to Register to Vote: Oct. 10
